4. **Note:** These documents constitute a "Request for Proposal" or RFP. It is a request for an offer. As such, it allows alternate offers or proposals to be considered and the terms and conditions may be subject to negotiations to reach best and final offers. All information requested for submittal should be included with the offer, and exceptions or alternates clearly noted.
5. **Amendments:** If any questions or responses require revision to the solicitation as originally published, such revisions will be by formal Amendment only. If the solicitation includes a contact person for technical information, bidders are cautioned that any oral or written representations made by this or any person that appear to change materially any portion of the solicitation shall not be relied upon unless subsequently ratified by a written Amendment to this solicitation issued by the Procurement Office. For a determination as to whether any representation made requires that an amendment be issued, contact the Procurement Office.
6. **Competency of Offeror:** Proposals will be considered only from firms which are regularly engaged in providing the type of materials or service described in the RFP, and who can provide

evidence that they have established a satisfactory record of performance to insure they can execute the requirements as stated herein. Any determination as to competency shall be made by appropriate FMS staff.

7. **Confidentiality**: Offerors may request, in writing, nondisclosure of confidential data. Such data should accompany the proposal and be readily separable from the proposal in order facilitate eventual public inspection.

8. **Evaluation of Proposals**: Proposals shall be evaluated on the basis of demonstrated competence and qualification for the type of service required, and based on the criteria set forth in the Request For Proposals (RFP). For purposes of conducting discussions, proposals may initially be classified as:
 - a. Acceptable
 - b. Potentially Acceptable, that is reasonably likely of being made acceptable or;
 - c. Unacceptable

9. **Discussions with Individual Offerors**: The Board is under no obligation to conduct discussions with any or all Offerors. The Board specifically reserves the right to award the contract with no discussions with Offerors and based only on the written proposals received by the due date and time. Discussions may be conducted with any or all responsible Offerors who submit proposals found to be reasonably likely to be selected for award. Offerors submitting proposals may be afforded an opportunity for discussion and revision after submission and prior to award for the purpose of obtaining best and final offers. After obtaining best and final offers, the award shall be made to the responsible Offeror(s) whose proposals are most advantageous to Farmington Municipal Schools.

If during discussions there is a need to any substantial clarification of or change in the Request for Proposals, the request shall be amended to incorporate such clarification or change. Any substantial oral clarification of a proposal shall be reduced to writing by the Offeror.

12. **Negotiations**: The Board's designee shall negotiate, if needed, a contract with the Highest Qualified Offeror at compensation determined in writing to be fair and reasonable, taking into account the estimated value of the services and the scope, complexity and nature of the services. Should the designee be unable to negotiate a satisfactory contract with the Offerors

considered to be the most qualified at a price determined to be fair and reasonable, negotiations with that business shall be terminated. Negotiations shall be undertaken with the second most qualified business. This process shall continue until a satisfactory contract is negotiated with a qualified business or the procurement process is terminated and a new Request for Proposals is initiated.

13. **Taxes**: The proposal total shall exclude all applicable taxes. FMS will pay any taxes due on the contract based upon billing submitted by the Contractor, at the applicable tax rate. Taxes shall be shown as a separate amount on any billing or request for payment.

The Board shall have the right to request subsequent information from the otherwise responsive Offerors.
15. **Contract Terms and Conditions**: The contract resulting from this RFP will follow the format specified by FMS and contain the terms and conditions set forth herein. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into the contract. Should an Offeror object to any of the Board's terms and conditions, that Offer must propose specific alternative language that would be acceptable to the Board. Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording. General references to the Offeror's terms and conditions or attempts at complete substitutions are not acceptable to the Board and will result in disqualification of the Offeror's proposal.
16. **Incurring Cost**: Any cost incurred by the Offeror in preparation, transmittal, cancellation, presentation of any proposal or material submitted in response to this RFP shall be borne solely by the Offeror.
17. **Right to Protest**: Any bidder, offeror or contractor who is aggrieved in connection with a procurement may protest to the Chief Procurement Officer. The protest shall be submitted in writing within 15 calendar days after the facts of the occurrences giving rise thereto §13-1-172.
